

Burford CofE Primary Schools offer of support of pupils with Special Educational Needs and or Disability (SEND) Information Report.

Statement of Intent

Burford CofE Primary School is an inclusive school. Our vision and values are at the core of everything we do. It underpins our teaching and learning and provides an environment which prepares **all** our children to be confident, happy citizens, irrespective of their individual educational needs.

Our vision:

At Burford we are

Rooted in love,

Becoming me, and

Flourishing together.

As part of the 'Children's and Families Act 2014' every provider for additional needs is required to give a summary of what it can offer to help support and care for pupils that may require additional support in school. This is known as the 'SEN Information Report'.

Please click the link and download the SEND Policy/Local offer link for details of what we offer as a school and further details about who best to contact if you have any further queries or questions.
