

Dear Parents and Carers,

This week our Year 6 children have had their SATs. These are the statutory tests all children in Year 6 must take. They have all conducted themselves in such a mature way – showing resilience throughout. We are very proud of you! Thank you to all the parents who organised and served SATs Breakfast to our Year 6 children each morning.

On Monday Diann Dowell from S.E.N.S.E in Tenbury came to visit Class 2. She talked to them about what it was like to be a community leader. She listened to their ideas about taking action in the community. Class 2 have agreed that they will help recycle plastic. They now need to make a plan! She also gave them all a worry worm for times when they are worried.

Please can I remind everyone crocs are not suitable footwear for children in school. In the summer, when we finally get some warm weather, if children are wearing open toed sandals, they need to also wear socks. Thank you.

Have a good weekend,

Emma Partridge.

Values

As a Church of England School, we have church values as well as our own schools value. We also look at our flourishes. These are what our children, parents and staff decided our children needed to 'flourish'. They form the basis of our curriculum. All children are part of 11 different 'Flourishing Families'. As they go through the school, they will eventually become the leaders of the family.

In Worship this week we looked at 'Eurovision' and asked the question 'How can music bring people together?' We talked about how through an international competition, different countries compete on the same evening, in the same place, together. The Bible teaches us that music is a powerful tool for communication. When people sing the same words together, it creates unity because everyone is focussing on the same message at the same time.

*'Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts.'*

Colossians 3:16

**At Burford, we are:**

**Rooted in Love,  
Becoming me and  
Flourishing together**

### Class 2 Plea

Has anyone got any large builders bags for Class 2 to use as part of their Young Leaders? We need to collect different plastics.

### Playpark

Over the last few weeks some of our children have had accidents and have fallen off the equipment at the playpark before school They have been unsupervised. Please can I remind everyone we are not responsible for the children until they are in school. If you child walks to school on their own please speak to them about playing carefully on the equipment. Thank you.

### Mobile Phones

A reminder about mobile phones and 'smart watches'.

Please can we remind all parents that children are not allowed to bring a mobile phone to school unless they are Y5 or Y6 and walk home. A child's mobile phone should be turned off before they enter the school grounds and not turned on again until they have left. If we find a child with a mobile phone that is turned on or they should not have one in school, we will take the phone off them and will expect their parent to pick the phone up from the office at the end of the day. If any child has a smart watch it must be on aeroplane mode at all times once they enter school grounds, and again if we find a watch has been taken off aeroplane mode, we will keep the watch in the office and expect a parent to collect it at the end of the day. The child will not be allowed to wear the watch again in school. Thank you for your understanding.

### PARKING

Please can we remind everyone to be mindful of where they are parking. Please can everyone be polite and courteous towards our local residents. Please do not park across local residents drive ways even if it is only for a minute or two. We are very lucky to be able to use the Village Hall Car Park so please use this if you can.

### Dojo

Dojo is an amazing communication between school and home. We love how we are able to send messages to everyone on it and receive messages back.

During the day while staff are teaching, they are not always able to see the messages. For safeguarding reasons if you are changing who is collecting your child after school then please inform the office and not dojo, as the teacher as they may not have read the message.

Please can we remind everyone that quiet time when staff are not expected to reply to any messages is from 5pm-8am the following day. During weekends and holidays staff are not expected to look at Dojo or reply to messages from 5pm on Friday (or last day of term) until 8am on Monday (or first day of term). Thank you.

### Uniform – jewellery

Please can we remind parents that children should not be wearing any form of jewellery to school other than small stud earrings. This includes necklaces and bracelets. Thank you.

### Oak Tree Club

If you would like to book for either Breakfast Club or Oak Tree Club please use the online payment system. You can book daily or in blocks or as and when you need it. If you have any problems with it just contact the office. Tax-free Childcare vouchers are available if you are working and can be used to pay for our wraparound care as we are registered. If you are receipt of Universal Credit you can claim 85% of the costs back.

## DID YOU KNOW?

**UNIVERSITY of  
WORCESTER**

## **DHMAT and the University of Worcester launch new local PGCE primary teacher training route based in Hereford**

For the first time ever, aspiring primary teachers in Herefordshire will be able to complete their teacher training with the University of Worcester without leaving the county.

It's thanks to an expanded partnership between the University and the Diocese of Hereford Multi Academy Trust (DHMAT), which will see all training delivered locally in Herefordshire.

The development expands the county's existing Regional Training Hub, where trainees split their time between local schools and the University's Worcester campus.

The upgraded Regional Training Hub Plus model means that all academic study and practical training for the primary PGCE will now take place within Herefordshire schools.

Andrew Teale, CEO of Diocese of Hereford Multi Academy Trust, said: "This is a significant and hugely positive development for education across the Diocese of Hereford. By delivering the full PGCE programme locally, we are removing barriers and opening doors for talented people within our communities who feel called to teach but previously found the logistics too challenging."

He continued: "Through our partnership with the fabulous University of Worcester, we are investing in local people and growing the next generation of teachers within our own schools. That strengthens not only the schools in our Trust, but the wider family of church and community schools across the Diocese."

Andrew added: "This is about opportunity, community, and ensuring that every child is taught by highly trained, committed professionals who understand and care deeply about the places they serve."

The fully local 36-week Primary PGCE will see trainees placed in DHMAT schools across the county, with academic sessions delivered at the Hereford Church of England Academy.

The University of Worcester, rated Outstanding by Ofsted for its teacher training, will oversee and deliver the programme, providing a high-quality, flexible, and community-based route into the profession.

Andrew Taylor, Senior Lecturer at the University of Worcester, said: "This new fully local training route has been designed for career changers, parents, and anyone who has the potential and passion to teach, but previously felt unable to start training because of travel, family commitments, or the logistics of attending the campus in Worcester."

If you are interested in applying or would like further details please email: [rth@dhmat.org.uk](mailto:rth@dhmat.org.uk)

We would love to hear from you.

## Attendance

Attendance is very important and this year the government are focussing on this in schools more. It is vital your children are at school. Learning in schools builds upon the previous day, so children who miss days are missing out on stages of their learning. Arriving late also affects children's learning. The school day starts at 9.00am. It really is important that children arrive by this time. We start lessons at 9.00am. Children who arrive late miss out on the beginning of their lessons and find it tricky. We open the gates at 8.50am and close them again at 9.00am.

Please make sure you send your child to school unless they are too unwell. If your child is unwell please phone the office each day they are not at school. Sometimes it can be hard to decide if your child is too ill for school. This is a useful link that may help you decide.

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

We will not authorise any holiday take during term time unless it is **exceptional circumstances**. You could be fined. Please try to avoid term time for your holidays.

We work closely with Shropshire Education Welfare Officer (EWO) who monitor school attendance half termly in all schools in Shropshire. It is important that we all work together to support your children attending school. Any concerns you have please do contact the school.

There is a very helpful flyer we are sending out on dojo which explains what the % of absence equates to in days.
