Curriculum

As Writers, we will: explore how to write to develop suspense. We will explore The Manor House and identify features to include in our suspense toolkit. We will explore writing to persuade, designing a range of spy gadgets.

As Readers, we will: continue to explore Skellig by David Almond. We will also begin to explore Clockwork by Philip Pullman. We will continue to explore short texts each day and will answer questions based on them.

As Mathematicians, we will: explore the orders of operations. We will revisit fractions – finding fractions of amounts, equivalent fractions, adding and subtracting fractions, adding and subtracting mixed numbers and converting between mixed numbers and improper fractions.

As Scientists, we will: we explore sounds. We will learn and model how sound travels and we will carry out a number of investigations to make conclusions about sound.

As Geographers, we will: explore global warming and climate change. We will look at the causes and effects of climate change, exploring what it is and how it will affect our world and our lives.

As Artists/Design Technologists we will: continue to design, create and appraise a pop up book. We will carry out a range of Christmas-related skills activities.

In PE, we will: develop the skills necessary to be able to be successful at Gymnastics. We will explore a range of skills and will work to create a routine. We will also explore tactics and strategies in a team game – dodgeball.

In RE, we will: explore the question ‘What is the ‘Trinity’ and why is it important for Christians? [God/Incarnation]

In PSHE, we will: explore the concepts of mental health, physical health, sleep, stigma, loss and emotions. We will continue to use the CoreMental Health Programme.

In computing, we will: explore strategies we can use to keep safe online. We will explore the impact that our digital footprint can have and we will identify what to do if something goes wrong online.

In French, we will: be focusing on recapping vocabulary learnt last half term. We will explore a range of vocabulary related to Christmas.

In Music, we will: explore singing in a group. We will identify the features of a successful performance and comment on timbre, dynamics, rhythm and pulse. We will prepare for our annual Christmas musical celebrations.
